

vaccination on August 16, 2011. Petitioner further alleges that Mr. Rosas' death was the sequela of his alleged vaccine-related injury. Respondent denies that the influenza vaccine caused petitioner's injury and/or death. *See* Stipulation, ECF No. 82 at ¶¶ 1-6.

Nevertheless, the parties have agreed to settle the case. On July 27, 2017, the parties filed a joint stipulation agreeing to settle this case and describing the settlement terms. Respondent agrees to issue the following payment:

A lump sum of \$150,000.00 in the form of a check payable to petitioner, Jenny Rosas, as Legal Representative of the Estate of Eduardo Rosas. This amount represents compensation for all damages that would be available under § 300aa-15(a).

I adopt the parties' stipulation attached hereto, and award compensation in the amount and on the terms set forth therein. The clerk of the court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.

- IN THE UNITED STATES COURT OF FEDERAL CLAIMS
OFFICE OF SPECIAL MASTERS**

2013. Petitioner further alleges that Mr. Rosas' death was the sequela of his alleged vaccine-related injury.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on behalf of Mr. Rosas as a result of his alleged vaccine-related injury or his death.

6. Respondent denies that Mr. Rosas suffered transverse myelitis, the significant aggravation of transverse myelitis, or any other injury as a result of his influenza vaccine, and denies that Mr. Rosas' death was the result of a vaccine-related injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of \$150,000.00 in the form of a check payable to petitioner as Legal Representative of the Estate of Eduardo Rosas. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Payment made pursuant to paragraph 8 of this Stipulation and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. Petitioner represents that she presently is, or within 90 days of the date of judgment will become, duly authorized to serve as legal representative of Mr. Rosas' estate under the laws of the Commonwealth of Pennsylvania. No payment pursuant to this Stipulation shall be made until petitioner provides the Secretary with documentation establishing her appointment as legal representative of Mr. Rosas' estate. If petitioner is not authorized by a court of competent jurisdiction to serve as legal representative of the estate of Mr. Rosas at the time a payment pursuant to this Stipulation is to be made, any such payment shall be paid to the party or parties appointed by a court of competent jurisdiction to serve as legal representative of the estate of Mr. Rosas upon submission of written documentation of such appointment to the Secretary.

12. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity and as legal representative of Mr. Rosas' estate, on her own behalf and on behalf of the estate and Mr. Rosas' heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of Mr. Rosas resulting from, or alleged to have resulted from, the influenza vaccination administered on August 16, 2011, as

alleged by petitioner in a petition for vaccine compensation filed on or about November 5, 2012, and amended on or about January 29, 2016, in the United States Court of Federal Claims as petition No. 12-754V.

13. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

14. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages.

15. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the influenza vaccine caused Mr. Rosas to suffer transverse myelitis, the significant aggravation of transverse myelitis, or any other injury, or caused his death.

16. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns as legal representatives of Mr. Rosas' estate.

END OF STIPULATION

Respectfully submitted,

PETITIONER:

JENNY ROSAS
